

Trail Opening date and COVID-19 update

Due to the Coronavirus (COVID-19) pandemic and the constantly changing updates and directives from all levels of government, the Rideau Lakes ATV Club along with the OFATV, is hereby taking proactive measures to support any and all efforts to reduce the spread of this virus.

The Rideau Lakes ATV Club has been working with our stakeholders, and all levels of government. **We are happy to announce that RLATVC trails will open on Friday May 15th, 2020.** Not all trails may be open right away on May 15th, but we are confident that most RLATVC trails will be open, please check www.QuadOn.ca for trail status on which trails are open – know before you go!

Riders will have to respect social distancing protocol of 2 meters as per the well-known guidelines handed down from the provincial and federal governments, and no groups larger than 5 will be permitted. Riders will have to take special precaution at parking/unloading areas to ensure provincial guidelines are not broken.

These are unprecedented times and like many other responsible organizations, we are taking all necessary steps to ensure the safety of all our members, their families, our communities, and businesses in our area.

Rideau Lakes ATV Club has cancelled all “in person” meetings until further notice, but will be having their next monthly meeting (May 21st) virtually. More details will follow about this through the members mailing list and Facebook.

- All our upcoming events are cancelled until further notice.
- We encourage ALL to buy or renew their memberships online at www.getapermit.ofatv.org rather than in person at vendors.

When our trails open, please remember to ride responsibly and respect all regulations in place. We wish everyone to be safe, healthy and to enjoy another great upcoming season of riding.

Watch for further updates as we approach opening day via the member’s mailing list & <https://www.facebook.com/rideaulakesatvclub>. To be added to our members mailing list please send an email to info@rlatvc.org
